Cantabile.

When breaks the dawn of the day......
Oft in my dreams do I see......

Over the restless sea......
Dangers that lurk un-known......

Then speeds my good ship a-way......
Where Neptune, king of the sea......

Happy my life and free......
Rules on his amber throne......
REFRAIN.

Down.... in the deep.... let me sleep.... when I die....

Down.... in the deep.... where the sea.... gems lie....

accel.

Mid..... coral beds.... Down.... neath the waves.... May

I........ find rest.... in a sailor's grave.... May

Down in the deep C. A.
Faithful stars above, keep watch there so bright.
The dark night so clear, no fear do I feel.

While voices of the sea, die on the slumbering night.
Memories of home, so dear, over my spirit now steal.

Well I know I may go, down, down, far down.
Dreams are o'er, never more, may I behold my own.

Depths below, so I pray, night and day.
Native shore, so I pray, night and day.

Down in the deep.
I find rest in a sailor's grave. Down in the deep let me sleep when I die. Down in the deep where the sea gems lie.
