Before The World Began.

Words by ANDREW B. STERLING.  
Music by ALFRED SOLMAN.

Maestoso.

Andante moderato.

To You

tenderly I whispered your dear name

Then

My

tight it seemed I felt your presence near

And

came into my heart a wonderful dream.

memory wanders back thro' endless space

time rolled back and in that Great Somewhere You
some where, tho' I know not where, it seems, I

heard me calling for you, and you came;
looked with tender eyes on your dear face;  And

know not where, nor when, nor how we met, I
in that paradise of long ago, My

Maestoso,

only know I loved and love you yet.
heart was glad, for then you loved me so,
Refrain. *a demplo.*

Give me the smile to-night, dear heart. The

smile that I used to know.

Give me the heart that you promised me.

Ages and ages ago!
Deep in your eyes let the love light shine

Shine from your soul, from your heart into mine

Love me again, like you loved me then. Somewhere before the world began.
