Cherry trees and ridges Just a little garden whole.

Truly I admired it And I soon acquired it,

And I called it "Garden of Dreams!" Cause each little figure

In my mind grew bigger 'Till they were real, it seems.

Garden Of My Dreams.
My only; blossom every hour I'm lonely,

Let me hold you, let me fold you in my arms, dear. There is in your caress

A world of happiness Deep down in my heart I love you

so, We will never part

Garden Of My Dreams.

Dear, you are my all, I've found you I will build a wall
