Moderato

Take a tip from one who knows, all you single men, If you've a girl to
It's a tough thing nowadays, picking out a girl, So when you find your
call your own, Don't ever leave her all alone. If temptation comes her way, will she pass it
heart's delight, Take my advice and treat her right. Girls are fickle, as can be, change their minds each
by? That's a question, so my suggestion is, Watch her on the sly.

Do a rave to 'em, be a slave to 'em. That's the wisest way.
CHORUS

Keep your eye on the girl - ie you love,
There's a boun that you know nothing of,

Who may be there to call, when you're out of sight;
If course she may not, don't take a chance and intro - duce your best pal;

Call if she likes him, but may be she might.
Never leave her for more than a day,

Bend that love, bend that way,
So keep your eye up - on - your girl.

If you don't, some oth - er fellow will,
Keep your will.
