Just Run This Over On Your Piano!

Here is "Dreamy Alabama", the waltz that everyone is humming. "Dreamy Alabama" has created a greater sensation than "Beautiful Ohio", by the same composer. It is one of those never-to-be-forgotten songs which hearten you with soul-stirring melody. A dance music-back is simply inevitable. Play the opening bars of the chorus. Just run this over on your piano. Learn the exquisite charm of Mary Earl's greatest composition and remember—the chorus nearly gives you a taste of the final chorus. Sheet music complete, vocal or instrumental, 15 cents per copy, or any three for $1.00. For orchestra, 25 cents. Mall first-class music dealers or we will supply you direct. If you are keeping in touch with good popular music, you will certainly want this song. Get yours at once!}
