Propam Silver,

Some people wonder where you missed the boat!

Your reprinted article in Charles M. Hill's column of Friday, Oct 11, 1963 Clarin-Tribune was read with the same disgust and nausea as all of your past quotation.

You have been drawing pay from the State of Mississippi for a long time. I don't suppose they advocate loyalty and patriotism in the NAACP and Communist parties do they?

You have been repeatedly asked to resign if you are not satisfied. What does it take to let you know that you, as an individual and a teacher, are not to the best intents of the North and the South.

You say that many people join the Citizens' Council. The only people who
