SUBJECT: The CITIZENS' COUNCIL Newspaper

The November issue of THE CITIZENS' COUNCIL paper has gone to press, and will be in the mails to paid subscribers this week.

About 12 Councils have promptly sent in bulk orders or lists of individual subscribers. As you will see, the great majority of Councils have taken no action as yet, although from expressions of interest we feel that most of the Councils do want members to receive the paper.

New features have been added which we believe will increase its effectiveness.

A number of Councils are planning to subscribe for their membership individually by allocating $2.00 of their 1956 dues for the paper. In those cases, as several Councils have done already, orders can be placed for bulk shipments on a month to month basis, as indicated below.

Your cooperation in handling this matter in your community will greatly facilitate distribution of the paper without undue delay, and will be deeply appreciated.

Respectfully,
