ASSOCIATION OF CITIZENS' COUNCILS
OF MISSISSIPPI

GREENWOOD, MISSISSIPPI
November 10, 1959

Dear Friend:

We have been blessed with a bountiful crop season and all of us should be able to breathe a little easier, financially.

This letter is a reminder to urge the officers and members of each local Citizens' Council who have not done so to start their membership drive for 1960 and to organize a Special Gifts Committee right away. We hope to be able to complete these drives by December 15 if possible.

Your officers and Executive Committee should appoint a Membership Committee in teams of two to contact as many old members and potential new members as possible. A county Special Gifts Committee should be organized to contact those who are able to give more than their membership dues to the State Association. This committee should also consist of teams of two who can cover your county. These committee members should be asked to give either one whole day or two half days to the cause.

Let's get this membership and fund raising accomplished so we can proceed with the task that lies ahead by the first of the year. If this office can help in any way, please call on us.

Sincerely,

Robert B. Patterson
Secretary
Citizens' Council
