Black Affairs Committee

Employment Practices

Cafeteria

The college students, both white, are working cash register.

Mr. Bounds said there was no objection to hiring qualified blacks at any position, cashiers or otherwise, but at

This point there is no vacancy, it seems that

cannot be done other than that and

should this be suggested in for qualified blacks to apply.

for positions. Have any blacks applied?

Bounds said 80 to 70 cafeteria employees are blacks. Black board of education,

Chief is a Negro - cafeterias, he says, have

many high school students, mostly black, I

believe.

Bounds was hostess in his convention
corduroy and part of his speech. I am not convinced

that he used nearly half Negroes in cashiers or other front line positions. Part 2
