REBEL Underground

VOL. I, NO. 2 University, Mississippi October

FLASH

(OR SHOULD WE SAY "BANG"?)

WE URGED THE ORGANIZATION OF "REBEL UNDERGROUND" TEAMS AND UNITS ON EVERY FLOOR OF EVERY DORMITORY AND IN EVERY SORORITY AND FRATERNITY HOUSE ON THE CAMPUS.

Our primary objective is to encourage James Meredith to transfer to some college where he would be welcome. There are many "Yankee" colleges which would eulogize him and make him "Tar Baby" of the campus.

His forced entry here has already caused two deaths, bloodshed, chaos and bitterness which will last for years. He has made his point and proved that our President is controlled by the NAACP.

While the Communist Party, USA, was wiring President Kennedy to send troops to Ole Miss on September 30th in a telegram, the Communists in Cuba were installing missiles aimed at the United States.

Russell Barrett, left-wing professor, dined with James Meredith the other morning. It is in keeping with his philosophy to mingle socially with the Negro who has done so much for the Communist cause through the NAACP. (National Association for the Advancement of the Communist Party.)

We are looking forward to the day when the KKK (Kennedy Koon Keepers) will leave our campus.

Congratulations to Russell H. Barrett, Robert J. Farley, Harley F. Garrett and James W. Silver. In recognition for services rendered the NAACP has proclaimed these professors to be "Honorary Ni**ers".

Incidentally, we feel that these and a few other "racial perverts" now on our faculty would be happier teaching at Tougaloo or Tuskegee.

The "Rebel Underground" holds the Federal Court in "contempt". These judges are indeed "contemptible".

Now, boys, don't upset Sidna. She may win a Pulitzer Prize.
