James Meredith:

Why don't you

Go where you are Welcome?

There are lots of other schools.

White colored people are welcome.

Why cause the Mississippi people will make trouble.

I don't think you really

Want to go.

Anyway, I think it

is some sort of trick.

Cause trouble in the

South.

Go away.

Don't let that happen.

To Indiana or somewhere

in the North. Where you

will be welcomed.

The South doesn't want you.
