J. F. -

Bringing up your care all my way you have spent Back under them 20 yrs. Next month Negroes can consult the Marshal & even W.T. Troops declaring their peculiarity. The N.A.A.B. party told you you wanted to fight of 47. I if not wanted in war you will dont you got but. after you get the Education what. W.B. or 20's not go to Africa but by my. Bred out American students brought 100 negroes from Africa where would you be. Notice educated & build up the African Colonies. So the latest new puppet Great B. didn't do all they done. The Africans would have deal of planation
