Again
A New Year's Day!

There is a prayer by St. Francis that seems to express completely the attitude toward life of my friends. What a simple prayer it would be for the rest of the world.

Lord
Make me an instrument of your peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. Where there is sadness, joy. In my hands, I shall possess the means of all things, so that, by the grace of God, in obedience to you, I may bring forth charity, peace, joy, hope, in the humble service of all people. Amen.
